COMPANY NAME	EMAIL ADDRESS	BOOTH NUMBER
--------------	---------------	--------------

Greetings CONEXPO-CON/AGG and IFPE 2014 2014 Exhibitor:

Please take a few moments to complete a brief survey which will allow us to design an electrical infrastructure system that will be able to meet all of your requirements.

Complete each question with your best estimate at this time. If the question is not applicable to your booth, please mark it "N/A."
 Additional comments are welcome.

1. Did you exhibit at CONEXPO-CON/AGG and IFPE 2014 in the past? Yes ____ No ____
 If yes, please specify year(s) of show(s) attended: _____
 If yes, is your 2014 exhibit larger, smaller, or comparable? _____

 Will your use of electrical service be the same, more, or less? At what percentage? _____ %
2. Will your exhibit have an occupied structure? _____
 What type of structure? (Fabric, hard wall, manufactured) _____
 If yes, can you estimate the approximate square footage? _____ sq. ft.
 If yes, will you be using heating or cooling? _____
3. Will your exhibit have any large individual outlets?
 (Excess of 100 amps or 208 volts) _____ 380 _____ 480 _____
4. Will your exhibit have a lighting truss? _____
 If yes, inside the structure? _____ Suspended? _____
 If yes, ground supported outside the structure? _____
5. Will your exhibit require any foreign voltages? _____
 If yes, what would be the voltage and amperage of the largest outlet? _____
6. Does your exhibit require any large amounts of power for setup? (Welders, cranes, etc.) _____
 If yes, when will set up power be required? _____
 If yes, when can it be removed post show? _____
7. Are you intending to work with a display house? _____
 If yes, please provide company name, contact, and phone # _____
 Will they be responsible for placing electrical orders? _____
8. Is there any other characteristic for your exhibit that you believe would create unusual electrical installation?

9. If you exhibited in the past was there any particular aspect of your electrical installation that you would have liked to be different?

Thank you for taking the time to complete this survey. Helping us to thoroughly understand your needs will assist us in serving you better.
