Tips

Form Tips:

- Use bold lines to indicate the outline of your exhibit space.
- Make a notation on the layout of where your plumbing outlets need to be installed.
- Indicate if you want the drop at a separate location from connection location. If so, indicate if you want hoses from drop point to connection point run under carpet.
- If this grid scale is too small for easy drawing return a separate sheet indicating booth layout.
- Return multiple booth layouts if necessary.

Step 1. Booth Information
