Sands Expo and Convention Center
August 16 - 19, 2014

IMPORTANT NOTICE

Global Experience Specialists, Inc. (GES) has established a Marshaling Yard to ease congestion in the vicinity of Sands Expo and Convention Center and to better utilize the available dock space at the convention center.

The address to this Marshaling Yard is: 2982 West Post Road, Las Vegas, NV 89119

NO CHARGE will be added to your invoice for use of this yard.

It is important that you advise your carrier of this Marshaling Yard information to better facilitate your direct shipment to showsite.

The Marshaling Yard process is as follows:

- All delivering carriers and privately owned vehicles must check in at the Marshaling Yard prior to show site deliveries.
- All inbound shipments will be weighed at the Marshaling Yard to obtain the gross or heavy weight.
- All inbound shipments must be accompanied by a certified weight certificate and Bill of Lading.
- At the Marshaling Yard, drivers will be assigned a number and will be dispatched to the appropriate dock at Sands Expo and Convention Center as space is available. Waiting time at the Marshaling Yard should be anticipated by your carrier. Every effort is made to keep this waiting time at a minimum. However, the waiting time depends on many factors, including the number of vehicles arriving to unload/load, the type of loads being unloaded at the Sands Expo and Convention Center, the number of booths on a truck, etc.
- After unloading, all vehicles must return to the Marshaling Yard with a completed copy of the GES Receiving Report to be weighed to obtain the light weight. This determines the total weight of your shipment. Drivers who fail to return to weigh-out may face having their shipment billed at the heavy weight.
- All drivers are expected to adhere to GES' policies and procedures with respect to the loading and unloading of trailers.
