

Marshaling Yard & Direct Deliveries Instructions

The marshaling yard is near the Convention Center.

Please inform your shipping company/driver of the truck that there may be a wait time based upon availability of dock space and/or labor/equipment to unload the truck. The wait time depends on many factors, but every effort will be made to keep waiting time to a minimum.

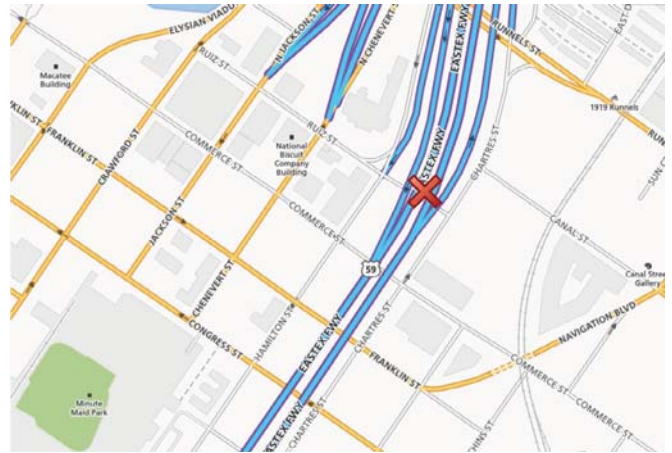

All drivers unloading or loading at the Dairy-Deli-Bake Seminar & Expo must first check-in at the GES Marshaling yard. The GES Marshaling Yard address is:

- After unloading the truck, all drivers are required to stop at the marshaling yard office to finalize the paperwork for accurate billing. Failure to do so will render the GES estimate as accurate and billable.
