Frequently Asked Questions-Exhibitors

100 Percent Customer-Focused, Cost Effective

Loading and Unloading

As an exhibitor can I unload my own vehicle?

- Yes, as long as it does not have commercial tags or lettering on the vehicle.

Product

Can we open boxes and stock our shelves?

- Exhibitors and customers may open boxes, stock shelves, distribute and set product, set-up, place plug in, hang from hooks product and literature within the booth space. Exhibitors may perform work on their own display equipment after the initial set-up and/or for maintenance.

Booth Set-Up

Install

As an exhibitor do I have the right to install flooring and displays in my booth?

- Exhibitors can set-up and/or tear-down a booth as long as the booth is 600 square feet or less and a full-time employee of the company.

With the new rules in the building am I able to use a step ladder and a screw gun in my booth?

- In booths that are less than 600 square feet you are permitted to use ladders up to 6' and power tools (including battery operated).

I will be exhibiting in a few months at the PCCA. Is it ok for me to set up scaffolding and paint in my booth?

- Yes, as long as you are a full time employee and the booth is less than 600 square feet. Only one level of scaffolding is permitted.

As an exhibitor can I also work in my booth if I hire stagehands to install my booth?

- Yes, as long as they are full-time employees of the company for more than 6 months and have an exhibitor badge.

I am an exhibitor coming in for an event next month and I was wondering if I can set up my personally owned 40 inch monitor with DVD player?

- Exhibitors can install monitors and A/V equipment that is not rented as long as you are a full time employee of the booth and the booth is not in excess of 600 square feet.

Electric

My booth will have stem lighting, can I install them myself?

- Exhibitors have the right to install your own lighting as long as the booth is 600 square feet or less. Lights must be installed by a full time employee of the booth and they cannot be provided by a rental company or 3rd party. Rental lighting must be installed by electricians. They must be UL/NEC compliant.

As an exhibitor can I set up my own computers?

Yes, exhibitors may set up personally owned computers that are not to be used for public use. In addition, all rented equipment must be set up by electricians.

As an exhibitor, can I run my own cords in my booth?

An exhibitor can run cords within a booth less than 600 square feet along the drape line or behind a display. It must be 12 gauge with grounded. Taping across the floor cannot be permitted.

Can I disconnect my battery from a vehicle in my booth?

Batteries shall be disconnected and reconnected by electricians regardless of booth size.
