

Dear Valued Exhibitor,

As you may know, each year ISSA partners with onPeak to be the official housing partner of ISSA/INTERCLEAN® 2015 and secures blocks of rooms at favorable hotels in our host city. This helps to ensure everyone has a place to stay and allows us to negotiate favorable rates for all our participants.

As you begin to think about your 2015 Las Vegas travel plans, we would like to ask that you make your hotel reservations within our secured blocks and book only through onPeak.

Housing is a key component in ensuring the success of our events and your reservations are a part of that. The more we are able to fill our room blocks, the more opportunity our association has to negotiate better concessions, such as lower room rates and complimentary amenities like free Wi-Fi.

In addition to the support of our association, booking through onPeak allows you conveniences and flexibilities you won't find on other travel sites – such as:

- **Low rates.** We have negotiated the lowest available rates (even below the rack rate).
- **Hotel extras.** Some of our hotels offer complimentary extras like free Internet access.
- **Easy booking.** Book with ease online for yourself or your group. Booking for 1 is as easy as booking for 50+.
- **Flexible terms.** We know plans change so that's why there are no change/cancellation fees and no full pre-payment required at the time of booking.
- **Complimentary Shuttle Pass.** Receive complimentary shuttle bus service between ISSA/INTERCLEAN hotels and the Las Vegas Convention Center—a \$30 value!

To get started, visit onpeak.co/issa/hotelservices to complete the quick and easy booking process, and you'll be all set. You may also contact onPeak directly via email at issahotelservices@onpeak.co.

We sincerely appreciate your support for ISSA/INTERCLEAN 2015, and thank you for securing your hotel accommodations through onPeak.

Sincerely,

Kim Althoff
