

Order by February 11, 2016 and

SAVE 10%

ON LABOR

- Order your labor early and you'll receive a 10% discount. To qualify for this savings you will need to order your services by February 11, 2016.
- It's important for you to estimate the number of workers and hours that you will need as accurately as possible, and pay for these services in advance to receive your discount. Your invoice will be calculated according to the actual hours worked, relative to the original estimate and based upon the date received. Any additional labor required at show site past your original estimate will be calculated and invoiced at the show site rate which is 25% higher than the regular rate.

* Please refer to your labor cancellation policy on the following labor order forms
