**NO FREIGHT AISLES**

**\* CLEAN FLOOR POLICY**

Due to the volume of crates, limited space for set up and to facilitate the installation and clearing of aisle carpet, Interbike will enforce a clean floor policy.

**Monday, September 16, 2013**  
6:00 pm: Crates for booths targeted Sunday, September 15th at 12:00 pm must be empty and labeled for removal.

**Tuesday, September 17, 2013**  
12:00 pm: Crates, floor cases, and packing material must be empty and labeled for removal.  
4:00 pm: Crates for booths targeted Monday, September 16th at 12:00 pm & 3:00 pm must be empty and labeled for removal.  
5:00 pm: Visqueen on booth carpet should be rolled up by the exhibitor or exhibitor appointed contractor and placed in the aisle.  
Please do not walk until the morning of show open to remove visqueen or you may incur additional ink/dye costs from the MSCC.  
7:00 pm: All aisles must be 100 percent clear of product and any other items that may impede with the installation of aisle carpet.

\*\*\*\* Please be advised that if your crates are removed on clean floor night and then requested to be brought back from empty storage to your booth before show opening, there will be a \$175 charge per hour for a booth and close to bring your crates back to your booth.

Thank you for your help in making Interbike 2013 a successful event.
