December, 2013

Dear COMPTTEL *PLUS* Exhibitor,

Thank you for your support and participation in the COMPTTEL *PLUS* Spring 2014 Convention and EXPO. All of your tradeshow requirements are included in this Exhibitor Services Manual including various order forms from Global Experience Specialists (GES) and other vendors. Information on registration, housing and sponsorship opportunities are also provided for your convenience.

This manual is your key to successful participation in our tradeshow, and we recommend that you take the time to become familiar with its contents. Take advantage of EXPO discounts offered on furniture, labor and utilities by ordering before the deadline dates. If an outside "Exhibitor Appointed Contractor" will be setting up your exhibit, you will need to forward the link to the Exhibitor Service Manual for their review.

Again, thank you for exhibiting at the **COMPTTEL *PLUS* Spring 2014 Convention and EXPO**. We look forward to seeing you in Las Vegas.

Best regards,

A handwritten signature in cursive script that reads "Barry Sacks".
