

Non-Official Photography, Videotaping and Mobile Camera Crews

Due by: January 8, 2014

Fax Form to: 703-706-8501

Photography/Videotaping and Camera Crews: It is imperative that each company notify its participating personnel of these rules. Photographing, including using camera enabled cell phones, videotaping or otherwise examining another exhibitor's equipment or display without permission is forbidden. Live public/media broadcasts by exhibitors are strictly prohibited. A representative of one exhibiting company is not allowed to photograph or videotape another exhibitor's booth. Violation of this rule will result in the expulsion of the offending exhibitor from the exhibit hall and a loss of priority points by the exhibiting company.

Exhibitors that wish to use a photographer other than the designated official show photographer and/or mobile camera crews **must** comply with the following procedures:

1. Exhibitors may request permission from APTA Exhibit Management to use a non-official photographer to photograph their booth for **internal marketing purposes only**. Requests must be submitted in writing no later than thirty (30) days prior to the opening of the exhibit hall.
2. Exhibitors may request permission from APTA Exhibit Management to use a non-official mobile camera crew to videotape their own booth for **internal company purposes only**. Requests must be submitted in writing no later than thirty (30) days prior to the opening of the exhibit hall.
3. Non-official photographers and/or mobile camera crews must be escorted to and from exhibitors' booths by APTA Exhibit Management.
4. All non-official contractors must provide a Certificate of Insurance to APTA Exhibit Management in the amount of \$2 million dollars naming the American Physical Therapy Association as the additional insured.

NOTE: APTA's Exhibit Management does not require schedules or request approval for personnel to enter the hall for the installation and dismantle of stationary cameras and video equipment which will be used by exhibitors for approved booth presentations or activities as long as these are not used for live public/media broadcasts.
