

REQUEST FORM

NEED A HEIGHT ↑ VARIANCE FOR YOUR BOOTH?

Booth Variance Request Form

Deadline: May 2, 2014

All booth designs must be in compliance with the Booth Display Rules & Regulations. Any variances and/or displays that do not comply with these official show and industry standard booth rules and regulations must be approved in advance of the show by Show Management. On-site, exhibitors not in compliance with these rules will be required to correct rule violations prior to show opening.

All variances will be considered on an individual basis and exhibitors will be notified by Show Management upon approval. Exhibitor is responsible for complying with all other rules and regulations.
