

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

## Nightclub & Bar Convention and Tradeshow

Las Vegas Convention Center

March 25 - 26, 2014

### IMPORTANT NOTICE

GES Exposition Services has established a Marshaling Yard to ease congestion in the vicinity of Las Vegas Convention Center and to better utilize the available dock space at the convention center.

The address to this Marshaling Yard is: 2982 West Post Road, Las Vegas, NV 89119

It is important that you advise your carrier of this Marshaling Yard information to better facilitate your direct shipment to showsite.

The Marshaling Yard process is as follows:

- All delivering carriers and privately owned vehicles must check in at the Marshaling Yard prior to show site deliveries.
- All inbound shipments will be weighed at the Marshaling Yard to obtain the gross or heavy weight.
- All inbound shipments must be accompanied by a certified weight certificate and Bill of Lading.
- At the Marshaling Yard, drivers will be assigned a number and will be dispatched to the appropriate dock at Las Vegas Convention Center as space is available. Waiting time at the Marshaling Yard should be anticipated by your carrier. Every effort is made to keep this waiting time at a minimum. However, the waiting time depends on many factors, including the number of vehicles arriving to unload/load, the type of loads being unloaded at the Las Vegas Convention Center, the number of booths on a truck, etc.
- After unloading, all vehicles must return to the Marshaling Yard with a completed copy of the GES Receiving Report to be weighed to obtain the light weight. This determines the total weight of your shipment. Drivers who fail to return to weigh-out may face having their shipment billed at the heavy weight.
- All drivers are expected to adhere to GES' policies and procedures with respect to the loading and unloading of trailers.

**If we can answer any questions or be of assistance with your inbound freight arrangements, please contact our National Servicer at 800.475.2098.**
