MOVE-IN & MOVE-OUT

VALET CART LOAD SERVICE

GES offers cart load service from your personal vehicle to your booth for move-in and from your booth to your vehicle at move-out. (Restrictions will apply – see GES Expresso for rates & additional information). Workers equipped with a 3' x 4' flat carts will assist Exhibitors with unloading for a maximum of one cart load per vehicle.

During Move-In, a GES representative will be in the Cart Load Service Lot at MBCC to arrange service upon arrival. **The lot is located directly across the street from the MBCC and the entrance is located on Four Season Drive. Follow signs to this location.**

During Move-Out, you must request this service at the Exhibitor Services Desk. When your items are ready for transport, return to the Exhibitor Service Desk and let GES know that you're packed up. Please wait with your items until someone from GES comes to get them. At that time you may get your vehicle and go to the Cart Load Service area where GES will load your vehicle.

You may hand carry material provided you do not use material handling equipment. When you choose to hand carry material, you may not be permitted access to the loading dock.

The entrance is located on Four Season Drive. Follow signs for the Hand Carry Staging Area.** During Move Out you may carry your items and load your vehicle in the Hand Carry Lot.

You may use nothing larger than a two-wheeled cart (plastic or rubber wheels only) to move your items.

Exhibitors arriving at the Hand Carry Lot with items other than merchandise or a pop up display may be instructed to go to the GES lot to have your vehicle unloaded/loaded by union labor. Drayage fees may apply.
