FAQ: GENERAL

Q. HOW DO I ORDER BADGES?

A. Exhibitors can request badges for *booth personnel only*. Badges are required to enter the show floor. A link will be emailed to you with instructions for online registration. **When prompted for a password, please enter 887614.**

Q. DO I NEED SPECIAL INSURANCE AND HOW CAN I PURCHASE LIABILITY INSURANCE?

A. Yes, you do need insurance. If you don't have the required amount of coverage, you can purchase liability insurance from Wells Fargo. You will receive an email including a personal link to purchase insurance directly from Wells Fargo or upload your certificate from your own insurance provider. If you have any questions contact tradeshow@wellsfargo.com

Q. DOES FN PLATFORM OFFER SPECIAL RATES ON HOTELS?

A. Yes, FN PLATFORM has selected "official" hotels; these selected hotels offer special rates to FN PLATFORM participants. To take advantage of these special rates, [click here - Hotel](#) or by call our official travel agency, Travel Planners at (800) 254-7188 Domestic or (212) 532-1660 International.

Q. WHO ARE FN PLATFORM'S AUTHORIZED CONTRACTORS AND WHAT ARE THEIR TELEPHONE NUMBERS?

A. Check the "AUTHORIZED CONTRACTORS" tab in this manual for company listings. During set-up and show days, Authorized Contractors are located on the show floor, at the service desk area.

Q. HOW DO I GET THE BEST DISCOUNTS ON SERVICES?

A. To obtain prompt and efficient service; it is best to submit order forms well before the due date. Late and last minute orders cause needless delay, confusion and expense. Make sure to send forms to the address listed on each form as services come from many different suppliers.

Q. WHERE DO I SHIP MY SAMPLES?

A. For delivery to your booth **prior to** move-in, ship merchandise to the GES warehouse before August 11, 2014. These boxes/crates will be in your booth when you arrive for move-in. You can find Direct shipping labels in SECTION 3 of this manual.

For shipments arriving during general move-in on August 17, 2014, ship directly to the Las Vegas Convention Center. If you are shipping with a carrier such as UPS, FED-EX or DHL, you **MUST SELECT SATURDAY DELIVERY**. August 17 is a Sunday and most international carriers do not deliver to the convention center on Sundays. If you do not select Saturday Delivery, there is a good chance your shipment will arrive on Monday AFTER the show has opened. Check with your carrier to make sure what days they will deliver to the convention center before sending your shipment.

Be sure to mark the name of your company/brand AND booth number on all packages, also include the name and mobile phone number of a person who will be at the show. For further information and shipping labels, see SECTION 3 on this manual. Bring copies of all way bills and tracking numbers with you to show site.

Q. HOW DO I ORDER FOOD / CATERING SERVICES AT THE SHOW?

A. The venue rules require that all food and beverage must be purchased through their exclusive caterer, ARAMARK. The Exhibitor Hospitality and Reception Menu can be found in the Authorized Contractor section of your Exhibitor Service Manual. For more information please contact ARAMARK at (702) 943-6910.

FAQ: BOOTH cont.

Q. WHAT TYPE OF SECURITY IS PROVIDED?

A. There is peripheral security during the show. However, security for an individual booth and its contents is the responsibility of each Exhibitor.

Please note some helpful suggestions:

- Do not leave one-of-a-kind samples, pairs of shoes, expensive jewelry, leathers or small items unattended at any time and remove them on a nightly basis.
- Rent Booth Seal Security System to secure your entire booth – Pre-order through GES and pick-up onsite
- Hire a security guard
- Display items can be rendered valueless by deliberate, but hidden damage.
- Do not list contents on outside of boxes. (e.g.: Box #1- Personal Computer)
- Carry a detailed list of what you ship, in which box it was packed, and repack it in the same manner. Keep a copy in your office and check your shipment when it returns.

At the end of the show, there is little or no security, therefore, the following is recommended:

1. Hire a security company.
 - a. Hand carried items only can be secured for you in a designated area until you arrive at the show.
 - b. Have a guard or sales personnel remain in your booth until your freight carrier picks up the merchandise. Forms are available in this manual under the “Authorized Contractors” tab to hire security.
2. Make sure that someone remains in your booth until your freight carrier picks up your merchandises. If you are only shipping small packages, take them yourself to a Fed-Ex or UPS location.

MOVE IN and MOVE OUT

MOVE IN

General move in is Sunday, August 17, 8:00 am – 8:00 pm*. Certain aisles are marked “No Freight.” These aisles may not be obstructed at any time.

*Requests for early move in approval should be directed in writing to Stacey Weber: sweber@fnplatform.com

Hand-Carried Merchandise - All hand-carried products for those exhibiting in the South Hall must enter and exit through the main, public entrances of the exhibit hall, not the loading docks. “Hand-carried” is defined as that which can be transferred by one person (not two people carrying together). No freight handling equipment (dollies, carts, etc.) may be used. If you have more product that you can carry, you should consider using Cartload Service (listed below) to get your product to your booth.

Cartload Service – If you have too much product to carry from your car or a taxi, for \$72.00 GES will provide labor to unload from your car and deliver to your booth one cart-load (300-lbs. maximum) of merchandise. If you are interested in this service, look for the Cart-Load Kiosk located outside the South Hall of the Las Vegas Convention Center by the shuttle bus parking. A GES representative will be there to assist you. Any large vehicles (one ton & over) will be directed to the Marshaling yard. **Unloading at the front doors of the South Hall is not permitted.**

Everyone must leave the exhibit halls by 10:00 p.m. on Sunday, August 17. Cleaning or removal of excessive trash, boxes, unused display equipment, etc. in the aisles after 8:00 p.m. on Sunday, August 17 will be invoiced to the exhibitor responsible. The Fire Marshal will not permit the show to open if there are any cartons, boxes or equipment in the aisles.

MOVE OUT

Breakdown starts at **6:00 pm** Wednesday, August 20, not before. Empty crates, cartons, boxes, cases, etc. will not be permitted in the hall until the close of the show. Any display or part of a display broken down prior to this time will cause the exhibiting company to jeopardize future participation. **In the interest of the many buyers who plan to work the show until it closes, all exhibitors are required to keep their booth intact and open for business until 6:00 p.m. Fines will be issued for all who do not comply.**

All displays must be packed, crated and labeled with the bill of lading turned in by 12:00 noon Thursday, August 21. All trucks must sign in at the marshaling yard by 12:00 noon Thursday, August 21. Empty crates, cartons, boxes, cases, etc. will not be permitted in the hall until the close of the show.

**** IF YOU ARE USING GES FOR YOUR OUTBOUND LOGISTICS NEEDS, WE STRONGLY SUGGEST THAT SOMEONE STAY IN THE BOOTH UNTIL A GES REPRESENTATIVE HAS PERSONALLY ACCOUNTED FOR YOUR ITEMS. DO NOT LEAVE YOUR SHIPMENT IN YOUR BOOTH UNATTENDED.***

Rolling Case Check – On Wednesday, August 20, FN PLATFORM will offer Rolling Case/Empty Sample Case storage located at the front entrance of FN PLATFORM for a nominal fee. **Note: This does not include in-out privileges. Storage will open at 6:00 for pick up.**

Personal Baggage Check - The LVCC provides personal baggage storage on site within the FedEx Business Centers. For the South Halls it is located at the main entrance of the FN PLATFORM floor.
