

Deadline: May 1, 2015

If planning any full side or full enclosure of your booth, your booth design must be approved in advance by show management. Depending on your booth location, full side walls and full booth enclosures are unlikely to be approved. Licensing Expo is committed to delivering an event that is welcoming and not intimidating to attendees with good sight lines and excellent traffic flow. Do not go into production on your booth until you have approval from Show Management.

SOLID WALL APPROVAL:

Company Name: _____ Booth # _____

Contact: _____ Booth Size _____

Phone Number: _____ E-Mail Address: _____

Must submit with drawing, sketch, digital image of exhibit display

Please note: Show Management retains the right to move Exhibitor's booth in the best interest of the maintaining sightlines for all exhibitors.

Complete and return this form no later than May 1, 2015.
