

# SHOW RULES AND REGULATIONS

## Vehicle Display Form

### VEHICLE DISPLAY WAIVER

If you wish to have a motor vehicle, such as a car or motorcycle, as a display element in your booth, you must have advance written permission from the show management operations team.

Attach this form to a picture of the vehicles to be used and floor plan showing the size and location of the vehicles within your booth and send no later than **April 17, 2018**

The Las Vegas Fire Marshal has very specific rules and regulations regarding Motor Vehicles for Display. **By signing this form, you are agreeing that the following rules will be strictly observed:**

- Fuel tank openings shall be locked or sealed in an approved manner to prevent escape of vapors; fuel tanks shall not contain in excess of one-quarter their capacity or contain in excess of 19L (five gallons) of fuel, whichever is less.
- At least one battery cable shall be removed from the batteries used to start the vehicle engine, and the disconnected battery cable shall then be taped.
- External chargers or batteries are recommended for display purposes.
- No battery charging is permitted inside the building.
- Combustible/flammable materials must not be stored beneath display vehicles.
- Fueling or de-fueling of vehicles is prohibited. Vehicles shall not be moved during display hours.
- Batteries must be disconnected.

**Installation of display vehicles will not be allowed without a signed copy of this form.**
