

BOOTH PACKAGE WALL GRAPHICS INFORMATION

Exhibitors choosing to apply graphics to the standard booth package walls must follow the rules as stated below:

- Must be on the interior of booth only.
- Material must be have a solid white backing with no graphics so as not to show design or branding through to neighboring exhibitors' booth(s) or aisle.
- Nothing else may be taped, glued, stuck, stapled, tacked, clipped or attached in any way to any of the walls or furniture.
- GES labor must install and dismantle booth graphics.

If wall graphics or any other signage is attached to wall panels in violation of these rules, Exhibitor will be billed for full equipment replacement costs.

Actual booth working space and dimension may vary. Please contact GES for exact dimensions for your booth.
