

EXHIBITOR APPOINTED CONTRACTORS, INDEPENDENT DECORATORS, AND OTHER VENDORS

Exhibitor Appointed Contractors (EACs) are companies such as display houses, independent decorators, or outside vendors, other than those officially appointed by HAI, that exhibitors hire to construct or install their booths or provide other services on the HAI HELI-EXPO® show floor.

An EAC will ONLY be granted access to the Exhibit Halls if Show Management has received the EAC Authorization Form, approval from the Exhibitor, a valid Certificate of Insurance (COI) and, licensed to work on LVCA property. There will be no exceptions.

EAC FORM SUBMISSION

If your company plans to use a firm other than an official show service provider (see the list provided in Helpful Contacts) for any service on the show floor, you as the exhibitor must register these EACs by JAN 12, 2018. Use the EAC form in the exhibitor portal to register each EAC company hired.

Exhibitor contacts can submit EAC information to HAI through the exhibitor portal at rotor.org/exhibitorportal. The deadline to submit EAC information to HAI is JAN 12, 2018.

In addition, you must provide your EACs with the insurance requirements that they must submit to HAI and Global Experience Specialists (GES) by JAN 26, 2018. EACs must be licensed to work in the Las Vegas Convention Center (LVCC); and must register through the Worker Identification System to obtain this license. **ALL VENDORS WORKING WITHIN THE PROPERTY MUST BE LICENSED THROUGH THIS PROCESS.** The licensing to work on LVCA property requires certificate of insurance (general liability & workers compensation) and an **annual** permit fee.

Please sign and return the Exhibitor Appointed Contractor form with a payment of \$250 to the address provided on the EAC form:

EAC SECURITY PROCEDURES

The following regulations and precautions will be used to ensure the security and safety of all HAI HELI-EXPO 2018 participants:

Wristbands Required. Feb 23 through March 3, all supervisors and laborers will be required to wear wristbands prior to entering the hall. Cut, torn, retaped, or otherwise altered wristbands will be confiscated, and the individual refused entry to the exhibit area. Individuals not wearing the wristband in the appropriate manner will also be refused entry into the exhibit area. There will be no exceptions.

Wristband Pickup. Wristbands will be given to each EAC company that has submitted the required documents; there is no need for a company to complete separate wristband request forms. The EAC company supervisor responsible for all work performed at the Las Vegas Convention Center will pick up the wristbands from the HAI Security Office **on the afternoon prior to the day of use.** The HAI Security Office will be in the Las Vegas Convention Center; the exact location will be announced closer to the show dates.

Check-In and Wristband Distribution. Each day, all EAC labor will report to an area designated by HAI security where they will check in and be issued a wristband. Each EAC company is responsible for notifying all their personnel of the location of the designated check-in area. The EAC supervisor should remain at that location until all of that company's workers have been checked in. If the supervisor is not present, the workers will be turned away. The exact location of the check-in area will be announced closer to the show dates.

EAC REGISTRATION

As an EAC, please make sure you provide HAI with a complete list of the exhibiting companies you will be working for at HAI HELI-EXPO 2018 and your certificate of insurance to ensure your access to each booth. Submit all documents to heliexpo@rotor.org by **January 26, 2018.**
