MOVE-IN & MOVE-OUT

GES offers cart load service from your personal vehicle to your booth for move-in and from your booth to your vehicle at move-out. (*Restrictions will apply - see GES Expresso for rates & additional information*). Workers equipped with a 3' x 4' flat carts will assist Exhibitors with unloading for a maximum of one cart load per vehicle.

During Move-In, a GES representative will be in the Cart Load Service Lot at LVCC to arrange service upon arrival. **The lot is located in front of Central and South Halls. Follow signs to this location.**

During Move-Out, you must request this service at the Exhibitor Services Desk. When your items are ready for transport, return to the Exhibitor Service Desk and let GES know that you're packed up. Please wait with your items until someone from GES comes to get them. At that time you may get your vehicle and go to the Cart Load Service area where GES will load your vehicle.

UNASSISTED HAND CARRY

You may hand carry material provided you do not use material handling equipment. When you choose to hand carry material, you may not be permitted access to the loading dock.

During Move-In you may unload your vehicle in the Hand Carry Lot, and carry your merchandise to your booth. **Lot is located in Bronze Lot behind the Renaissance Las Vegas. The entrance is located on Sierra Vista Drive. Follow signs for the Hand Carry Staging Area.** During Move Out you may carry your items and load your vehicle in the Hand Carry Lot.

You may use nothing larger than a two-wheeled cart (plastic or rubber wheels only) to move your items.

Hanging clothing racks are allowed for moving hanging garments.

"Pop-up" displays, equal or less than 10' in length, capable of being carried by hand by one person may be brought in.

Exhibitors moving items must use the doors and routes designated by event management.

Individuals moving these items must be employees of the exhibiting company and must carry identification with them to verify this fact.

Exhibitors arriving at the Hand Carry Lot with items other than merchandise or a pop up display may be instructed to go to the GES lot to have your vehicle unloaded/loaded by union labor. Drayage fees may apply.

The Hand Carry lot has a 30 minute limit. Please see the parking attendant if you require additional time and we will do our best to accommodate your request.
