

MOVE-OUT INFORMATION

Please refer to the Target Move Out plan to see when your freight needs to be picked up and when your truck needs to check into the marshaling yard.

To make your move-out easier check in with the GES Service Desk the first day of the show while there are no lines, to settle any outstanding balances and arrange material handling. The last day of the show will be busy and there will be long lines.

REMEMBER: BOXES, BAGS OR SUITCASES CANNOT BE STORED IN, AROUND OR BEHIND YOUR BOOTH DURING SHOW HOURS.

Show Close: 5:00pm, Thursday, February 7th, 2019

Empty crates, cartons, boxes, cases, etc. will not be permitted in the hall until the close of the show. Any display or part of a display broken down prior to this time will cause the exhibiting company to jeopardize future participation. In the interest of the many buyers who plan to work the show until it closes, all exhibitors are required to keep their booth intact until 5:00 p.m. Rolling case/Baggage storage will be available. Look for the signage or any of our staff to help direct you to the location.

Please note:

- GES will start returning cases at 5:30pm after the carpet is removed and may take up to 6 hours to reach your booth. Boxes and luggage are all stored together on trailers off site, so unfortunately there can be no exceptions – thank you for your patience!
- Crates and other large items may take up to 15 hours after show close to reach your booth. Refer to the Targeted Move Out Plan for specific dates and times.
- Labor for move-out after 5pm on **Thursday, February 7th** will be charged Overtime.
- GES Cart Service is available during load-out.

Please see GES section of this kit for details/rates.

Remember, you may not begin breaking down until 5:00pm, Thursday, February 7th, 2019. Please make your travel plans accordingly!

If shipping using a non-FedEx carrier, please bring your shipping forms to Las Vegas with you. The FedEx center only carries FedEx forms.

If you cannot wait, we recommend that you hire a security guard (see security page in this kit for a recommended security company.) Please remember that exhibitors assume liability for all freight and its contents.**
5. GES will pick them up and bring them to your carrier.
6. **Please note that if your carrier does not pick up, your freight will be forced shipped to the GES warehouse. Additional costs will apply.**

Valet Cart Load Service:

- Customers can arrange for GES to transport your packed items from your booth to your vehicle. Please see GES Espresso for details and rate information. This service can be requested at the Exhibitor Service Desk anytime during the show or before leaving at the end of the show. Cart Load service will begin once the show ends on August 16th.
