

## SHIPPING AND MOVE-IN INFORMATION

### Exhibitor Move-In

There is no early set-up for this show, please refer to the targeted floorplan. Show Management and GES have designed a targeted move-in plan for freight (crates & booth build décor, not product) for all exhibitors in the Las Vegas and Mandalay Bay Convention Centers. Please be sure to review the Targeted Floor Plan, available mid-January at <http://www.magiconline.com>, for your specific date and time. The times listed refer to the time that freight will start being delivered. You should allow several hours for freight to be delivered to your booth. Please keep this in mind when scheduling booth install labor.

All crates must be emptied and labeled for removal by 10:00PM on **Sunday, February 3<sup>rd</sup>, 2019**.

Any cleaning of excessive debris or trash in the aisles after 8:00 PM on **Sunday, February 3<sup>rd</sup>, 2019** will be invoiced to the exhibitor responsible.

All booths must be fully installed by **6:00PM on Monday, February 4<sup>th</sup>, 2019**.

Exhibitors may get their product to the show in three ways:

#### 1. You may ship in advance to the GES Warehouse: **January 2<sup>nd</sup>, 2019 – January 24<sup>th</sup>, 2019**

- **Show Management strongly recommends shipping to Advanced Warehouse to prevent delays like weather and lines at the marshalling yard.**
- If shipped in advance, your product will be brought from the warehouse to your booth and will be waiting for you on your setup day.
- GES charges Materials Handling for this service, charged by cwt (each 100 lbs–300lbs minimum). See the GES section of this kit for rates and shipping labels.
- Advance shipments must arrive to the warehouse between the dates published in the GES section of this Kit (and shown above). Early or late shipments will incur additional surcharge.

#### 2. You may ship directly to show site.

- If you choose to ship crates, booth build or décor freight direct to show site, your carrier must be checked in at the marshaling yard by the date and time indicated on the Target Move-In Plan. Please review the target move-in plan which will be available in mid-January at <http://www.magiconline.com> **IMPORTANT: Your carrier must check in at the marshaling yard by the deadline in order to avoid a 25% off target penalty.**
- See the GES section of this kit for material handling rates and shipping labels.
- If you chose to ship your product to the FedEx business center at Mandalay Bay, please be advised that it may take a full day for FedEx to have all the trucks unloaded and entered into their computer system. If you would like to retrieve your product from FedEx, please have it shipped so it arrives by Friday, February 9<sup>th</sup>. **Please be advised that handling fees are charged by the FedEx business center for all shipments received.**
