**HANGING SIGN & RIGGING
HANGING SIGN
REQUEST FORM**

DEADLINE: October 30th, 2020

PLEASE RETURN THIS FORM TO:

Aileen McDermott

aileen.mcdermott@informa.com

Approval for hanging signs will be considered for island, split-island or peninsula booths (20' X 20' space or larger) *only*, provided the signs are not objectionable in content and there are no physical constraints at the facility. Show Management **MUST** see a rendering of both booth & hanging sign in one drawing prior to approval.

Maximum height for signage (and total booth structure) is 20 feet with no variance option. There must be 3' of clearance from the highest point of the booth and the bottom of the sign. Signs/rigging/lighting must hang at least 10' from any adjoining/adjacent booth. ****Please also note - it is mandatory that all hanging signs be shipped to the GES Advanced Warehouse. Review this information in the Hanging Sign & Rigging section of this manual.***

Exhibiting Company _____

Booth Number _____

Exhibitor Contact (Please Print) _____

Fax _____ Phone _____ Email _____

Height and Width of Sign _____

Weight of Sign _____

Number of Feet from Floor to Top of Sign _____

Number of Feet from Floor to Highest Point of Booth _____

Is this sign motorized/require electrical? _____

Sponsor Signature _____ Date _____

PLEASE NOTE:

Per the Wynn, if the overhead banner is vinyl or fabric and under 15', the top of the banner can go up to 20' in height. If the banner requires truss and/or is a heavier material (not vinyl or fabric), please inform show management as the max height may be less than 20'
