- Same Exhibit used at ICSC LAS VEGAS 2022
- Modification to Exhibit Structure used at ICSC LAS VEGAS 2022
- New Construction / New Exhibit in 2023

EXHIBIT DESIGN CRITERIA COMPLIANCE

PLEASE CHECK ONE

- All exhibit components are in compliance with the ICSC Design Rules and Regulations.
- Some items are in excess of the ICSC Design Rules and Regulations. A variance is requested for consideration.

FLOORING AND GES PARTITIONING WALL

REQUIREMENTS

PLEASE CHECK ONE

- We will be bringing our own flooring; GES gray carpet will not be required. *Please be sure to submit the supplied carpet information form before the deadline date.*
- We do not need the GES 8' high wall partitions
- We will need some of the GES 8' high partitioning walls. This is clearly noted on the attached rendering

Important Notes and Information:

1. Submissions are due **no later than 12:00pm EST on Friday, March 24, 2022.**
2. A completed Exhibit Space Design Submission Form must accompany each exhibit design submission for official review.
3. Incomplete submissions will not be reviewed and will be returned.
4. It is each exhibitor's responsibility (or appointed EAC) to thoroughly review the ICSC 2023 LAS VEGAS Display Rules and Regulations.
5. Exhibit designs should be submitted each year only after the exhibitor has received space confirmation from ICSC to ensure guaranteed space size, location and orientation.
6. E-mailed submissions only (10MB maximum size). Mailed and faxed submissions will not be accepted.
7. Booth construction should not begin until an ICSC Exhibit Approval has been issued.
8. All submissions are reviewed in the order they are received with an average response time of two to three weeks from the date the design submission form is received.
9. EAC's representing more than one exhibit must submit exhibit designs separately to ensure proper ICSC approval and record for each exhibitor. Batch submissions will not be accepted.

Submissions must be sent to the following contacts **no later than 12:00pm EST on Friday, March 24, 2022**

- ICSCdesignsubmission@ges.com for Exhibit Design Criteria compliance review and written approval
- LVCVA Fire & Safety (please review the Exhibit Design Criteria to determine if your exhibit requires Fire Marshal review and approval)
