

**2014 True Value Fall Reunion Product Donations Benefiting
Habitat for Humanity of Metro Denver ReStore Home Improvement Outlets**

July 2014

Thank you for your generous gift! Your donated products will help support our work to build homes, communities and hope in the Metro Denver community.

Habitat for Humanity of Metro Denver brings much-appreciated donors like you and community volunteers together with hardworking, low-income families to build decent, affordable, and energy efficient homes and to provide housing support services that promote successful homeownership. The result is dramatic, positive differences in the lives of families and in neighborhoods.

It would be greatly appreciated (if at all possible) that all donated products be placed on pallets, shrink-wrapped and labeled with the orange Habitat Donation stickers (available at the Member Purchase Desk) at the close of the show on Sunday. If this is not possible, please let us know and our volunteers will gather your donated items and get them ready to transport to Habitat Metro Denver ReStores.

If you have questions, feel free to contact me or our Call Center directly. Again, thank you for your generosity.

In partnership,

Ryan H. Smith
Chief Retail Officer
