

Goody Bag and USO Project

As an exhibitor of the NAC Trade Show and/or an NAC Expo Sponsor, your company has the opportunity to place product samples or promotional gifts in **the Goody Bags** given to the convention registrants. You will need to send enough products to fill 250 Goody Bags. We will also be doing a **USO Community Service** product in which member/volunteers will pack 500 individual gallon storage bags to be given to members of the U.S. Armed Forces in the Denver area.

The goody bags will be distributed to those who have registered for the NAC (full) Convention only. This number does not include all the industry representatives that are coming solely to visit the trade show. (We cannot accept promotional literature or other written materials for insertion)

GOODY BAG AND USO PRODUCTS MUST ARRIVE AT THE HOTEL NO EARLIER THAN MONDAY, JULY 7 AND NO LATER THAN FRIDAY, JULY 11 TO BE INCLUDED.

Please label your boxes EXACTLY as shown below to avoid confusion or lost product. Also, all boxes must include a return address.

Hold for Arrival 7/11/14
