

Who We Are & What We Do

The School Nutrition Foundation (SNF) is the charitable arm of the School Nutrition Association with an independent board of directors made up of school nutrition directors and industry partners.

OUR MISSION: Advancing school nutrition programs by providing resources to school nutrition professionals.

OUR VISION: Well-nourished students prepared for success.

Supporting School Nutrition Program Sustainability

Through collaboration with the School Nutrition Association, allied partners and donors, the School Nutrition Foundation is committed to:

- Providing scholarships, including conference scholarships, to SNA members for professional development, and continuing education
- Sharing best practices with the school nutrition community
- Identifying and supporting school nutrition research, trends, and innovations
