

Storage – Important

Storage of any exhibit materials in the alley behind your booth is not allowed per the Tucson Fire Marshal Safety regulations. GES will store your exhibit materials until the close of the show for \$10 per carton or \$40 per skid. Please visit the GES Service Desk located at the front of the 1700 aisle to arrange for storage services or call Kim Dickenson at 602-725-2737.

Any items found stored in the alley will be tagged for trash removal.

Thank you, Show Management
