eSHOW
event management solutions

Terms and Conditions

Application testing is the sole responsibility of the exhibitor. Auto-focus is required to use the scanning feature. If your device does not have auto-focus, the badge ID must be keyed into the app. No refunds or cancellations will be permitted on devices lacking auto-focus.

An activation is needed for each device that will be used to scan. Activations cannot be reused if the app is uninstalled. If the app is uninstalled, the activation is lost, and an additional activation will need to be purchased at the exhibitor's expense. Activations cannot be transferred to other devices. **Do not delete, sign-out, uninstall, or clear the cache of the app**.

One week prior to the event, instructions and a sample badge will be sent to the email address provided for testing purposes.

All equipment is offered on a rental basis and must be returned to the lead retrieval desk at the start of the scheduled exhibit hall breakdown. Any exhibitor who fails to return equipment promptly will incur a **$25 per day** late fee. All equipment is the sole responsibility of the exhibitor during the rental period. Lost or damaged equipment is subject to an additional charge, up to the full replacement cost of **$750** per scanner.

Any refund requests must be submitted via email prior to the 10/2/23 refund cut-off date. No refunds will be issued after the refund cut-off date. All refund and cancellation requests received will be issued a credit voucher in the amount of the order to be used for any future eShow Lead Retrieval purchase. No refunds or credits will be issued for any unused activations or devices.
