- Please return this form GES and a GES representative will contact you on-site by June 12, 2016 to finalize your "Lights Out" request. It will be determined at that time how many lights need to be turned off and what the estimated charge for this service will be. Payment for all associated charges will be due at the time of service. The minimum charge for this service is \$38.75 per light. Additional costs may be incurred depending on accessibility, labor and equipment required. Orders for "Lights Out" service may be placed on-site, but GES can not guarantee the completion of orders placed after June 12, 2016.

Starting time can be guaranteed only when labor is requested for the start of the working day. All exhibit labor scheduled at the start of the working day will be dispatched to booth space. Confirm labor and equipment by 2:30 PM the day before date requested. If labor is not requested for the start of the working day, please have a representative pick up the crew at the labor desk and supervise the work to be done. Equipment and labor cancelled without a 24 hour notice shall be charged a one (1) hour cancellation fee per worker and equipment. If Exhibitor fails to use the workers and equipment at the time confirmed, a one (1) hour "Not Ready" charge per worker and equipment will apply.

The minimum charge for labor is one (1) hour per worker and equipment. Labor thereafter is charged in half (½) hour increments per worker and equipment. Gratuities in any form, including cash, gifts, or labor hours for work not actually performed are prohibited by GES. GES requires the highest standards of integrity from all employees.
