

ATTENTION EXHIBITORS

The American Society of Plastic Surgeons continually strives to maintain the highest standards from its contractors and suppliers. To this end, we have assembled a group of service providers for all labor and services required of ASPS exhibitors that we feel will meet or exceed your own high standards of excellence. We encourage our exhibitors to utilize the knowledge and expertise of these service providers as leaders in their service industry represented.

Exhibitor-Appointed Contractor

Should you choose to select a general services contractor other than GES in conjunction with Plastic Surgery The Meeting, the 'Notice of Intent to Use an Exhibitor-Appointed Contractor' form must be received by GES no later than **August 23, 2016**. Please also review the 'Rules & Regulations' regarding outside contractor services.
