BODY ART PRACTITIONER REGISTRATION INSTRUCTIONS

Body art practitioners are required to register with Environmental Health. To demonstrate they meet the criteria of the Safe Body Art Act, each practitioner must submit a "[Body Art Practitioner Registration Form](#)" with the following documentation:

- Copy of a valid government issued photo identification indicating practitioner is 18 years of age or older (i.e. Driver License, State Identification Card, approved Consulate ID Card).
- Copy of Bloodborne Pathogens Exposure Control Training Certificate from a Los Angeles County-approved trainer. See list of Approved Training Providers for Bloodborne Pathogen Exposure Control Training. ([Link](#))
- Copy of one of the following:
 - a certificate of Hepatitis B vaccination,
 - laboratory evidence of immunity,
 - physician statement of contraindication for medical reasons, or
 - a completed Hepatitis B Vaccination Declination Form. ([Link](#))

Upon verification that the above criteria are met and payment of the \$47 registration fee, the Registration Certificate will be issued.

Completed registration packets may be mailed to:
