

## **Move-Out Instructions**

Drivers with outbound shipments must check in at the marshaling yard by 12:00 PM during each day of move-out to guarantee same day loading.

Exhibitors or Exhibitor Appointed Contractors must turn in bills of lading by 8:00 AM on the day of load out to guarantee same day loading. Please do not hold onto outbound Bills of Lading. Doing so will delay the calling of your carrier to the dock for load out.
