### **Easy Ordering Tips:**

- Labor fees apply for delivery and/or return of product.
- For calculation purposes a 4' x 4' area (approximately the size of one small skid) stacked 4' high will be considered 16 Sq. Ft.
- Refrigerator (approx. 36° average) and freezer (approx. 0° average) storage service will be provided on site for those exhibitors who order such service in advance.
- Refrigerated and frozen storage is available at a rate of \$552.00 billed in 1 skid (16 Sq. Ft.) increments.
   This price is based on the total amount of product shipped to show site; applicable material handling rates apply.
- Exhibitors are encouraged to schedule cold storage deliveries (to and from the booth) in advance of the show to ensure delivery time availability. There are a finite number of deliveries made per hour "window" -orders will be processed in the order received.
- Please plan and order carefully. You will be charged for actual usage. Exhibitors are urged to ship only the
  product they need to avoid excessive costs. Refer to the Cold Storage Labor/Delivery Order Forms to
  schedule/reserve and order labor for the handling of cold storage products into and out of refrigerator and
  freezer storage (deliver to and from the booth).
- Full payment is due at the close of the show, and a credit card must be on file -- fill out and return the Payment and Credit Card Charge Authorization form.

#### Reminder:

Use the correct shipping label (refrigerated or frozen) for the type of product being shipped. Place one label
on each item, not just one label per skid, and make sure to fill out each label completely with your company
name, booth number, type of product, and date of desired delivery. Do not mix refrigerated and frozen
product on the same skid -- use separate skids.

## To reserve storage space, please complete the following:

Item Code	Description	Rate (\$)	X # Skids	Total
200514	Storage, Frozen per Skid	552.00		\$
200515	Storage, Refrigerated per Skid	552.00		\$
