LEAD RETRIEVAL ORDER FORM

Rent a device from us! This lead retrieval application uses a sturdy Android phone with a long battery life.

Using the latest in RFID technology, simply bring your device within six inches of the attendee's badge in order to collect leads. Its sleek design and larger size makes taking notes that much easier.

DEADLINE TO ORDER: MONDAY, OCTOBER 14

- Requires only 1 Single Activation
- RFID scanning
- Standard free-form notes on each lead collected
- Leads uploaded and available via secure website within 48 hours of show floor close

\$385

Lead Retrieval Purchases can be made by utilizing the below link.
