LIABILITY INSURANCE REQUIREMENT

All exhibitors are required to have liability insurance of no less than \$1,000,000 property damage, loss or theft and personal injury, **naming Informa Connect, an Informa company (parent company of Finovate), Hilton San Francisco Union Square and GES** as additionally insured. This must be obtained by the exhibitor at their own expense. All exhibiting companies must be able to provide Show Management with a certificate of insurance upon request.

**Exhibitors who are using the services of an Exhibitor Appointed Contractor are responsible for informing their contractor that they are required to submit a certificate of insurance to Finovate Show Management.*

The purpose of this insurance is to provide liability coverage for your company as well as for Show Management. You may obtain this insurance from your organization's own insurance company, or from the insurance company of your choice.

Neither Show Management nor their agents are responsible for any loss or injury that may occur to the person or property of exhibitors or their guests, invitees, employees, or agents from any cause whatsoever, including cancellations or impediments to the conduct of the event. The exhibitor agrees to pay for any damage (incurred through carelessness or other cause by the exhibitor, his employee, or agents) to the exhibition facility, its equipment, or to that of another exhibitor. If the exhibitor's material fails to arrive, the exhibitor is still responsible for their space rental.

The exhibitor assumes entire responsibility and agrees to protect, indemnify, defend, save, and hold harmless KNeet365 and its agents, officers, and employees against all claims, losses and damages, including attorney's fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy, or use of exhibition premises or a part thereof.

FREE BUILD STANDS – ADDITIONAL DOCUMENTATION REQUIRED

Sponsors with Free Build Stands are required to provide stand plans, risk assessments, method statements, along with a copy of the insurance certificate before permission to build is given.
