

EAC REGISTRATION

ORDER DEADLINE:

FEBRUARY 10, 2023

What's an EAC?

An Exhibitor Appointed Contractor (EAC) is a company, other than the official general contractor, that provides exhibit services (e.g. audio visual, I&D, floral, photography, etc.). If you hire an EAC, they will need a badge to access your booth during move-in, show dates and move-out for Game Developers Conference 2023. For coordination and security purposes, exhibitors who choose to use an EAC must comply with all show rules and regulations, and complete the EACA registration process by February 10, 2023. Forms will only be accepted if filled out by an authorized representative of the exhibiting company.

Registration Program!

The Exhibitor Appointed Contractor Association (EACA) has been selected to assist Informa Tech with the registration and badging of EACs at this year's show. By registering your EAC online, the processing of the EAC notification forms and insurance certificates will be greatly enhanced and simplified. Just go to www.ecashows.com and click on EAC Registration. For those exhibitors without internet access, a faxable EAC registration form is provided here.
