

Bioprocess International US West

Height Variance Allowance & Hanging Sign Form

DEADLINE: June 12th

If you are concerned that your booth design does not adhere to standard tradeshow regulations, please submit your design to Show Management for review.

Peninsula or Island booths are the only booths that are permitted to display a hanging sign. Show Management is requiring all companies wanting to have a Hanging Sign **MUST** submit a structural drawing.

Complete the following information and submit this form along with drawings of your booth design, including dimensions of all elements and their distance from the aisle and/or neighboring exhibitors.

Exhibiting Company: _____

Design Company (if applicable): _____

Name of Person Submitting Design: _____

Telephone: _____ Email: _____

You may email this form with your drawings to Alexandra Kapetanopoulos, Exhibit Hall Coordinator, Alexandra.Kapetanopoulos@informa.com no later than **June 12**.

Show Management will review the design submitted and approval of the design will be confirmed in the section below. If the design cannot be approved, a member of Show Management will contact you to discuss the design. Please allow 5 business days for processing.

For Show Management use only
