

EXHIBITOR MOVE-OUT / BREAKDOWN INFORMATION

No exhibits may be removed before the exhibition closes at 4:00 PM on Thursday, August 28, 2025, nor will any contractors be allowed into the halls until this time; please ensure that you have briefed your contractors and scheduled travel accordingly.

When the exhibition closes at 4:00 PM on Thursday, August 28, 2025, the carpet will be taken up as quickly as possible. Exhibitors are requested not to put anything in the aisles which might impede this activity. Empty cases and packing material stored with the official on-site handling agent will not be delivered until the carpet has been removed.

Once the carpet has been removed, GES will return empty crates and containers as soon as possible. Exhibitors that require forklift assistance for repacking and/or loading, should note that this will only be available once all the empties have been returned. We appreciate your patience in this matter.

Exhibitors are reminded that security will cease once the exhibition has closed. Items of value left on the booth including freight are the responsibility of the exhibitor. Please speak to the Organizer if you would like to hire a security guard for this period or if you would like to arrange to have your goods moved into secure storage prior to the arrival of the forwarding agent.

All materials, packaging and waste must be removed from the halls and booth dismantling completed by 12:00 noon on Friday, August 29, 2025.
