

HOTEL SERVICES

The ADAS & Autonomous Vehicle Technology Summit North America's official housing bureau is FHTGlobal.

For more information regarding accommodation, please click [here](#).

Please note: FHTglobal is the only official ADAS & Autonomous Vehicle Technology Summit North America's agency. Other agencies that contact you may be a scam.

Hotel Booking Scam

Our exhibitions and conferences are also the target of hotel scams. Scammers call or email attendees and exhibitors, claiming to represent UKi Media & Events and its associated events, and encourage our customers to book rooms using fake promotion codes at a variety of hotels close to the venue.

FHTglobal is the only official accommodation agency and the only third-party company that may send emails or place phone calls to individuals in order to promote specific accommodations.

For more information regarding accommodation, please visit the 'Travel & Hotels' section on the event [website](#) or contact FHTglobal directly:
