

Insurance Requirements

February 3-4, 2016 • Camp Pendleton Marine Corps Base • Oceanside, CA

Marine West does not provide any type of insurance coverage for the property and/or personnel of exhibiting companies. Exhibitors must maintain insurance that meets the requirements below and provide proof to Marine West prior to the show. To protect your property and staff we suggest taking the following steps:

Property Insurance

Contact your insurance broker or carrier to obtain a policy to cover the value of your booth, equipment, product and supplies. If you already have property insurance, confirm that it will extend to your property during shipping and at the show. Many insurance policies only cover property at a listed location or within 1,000 feet of that location. If you use an independent contractor for installation or dismantling, review the agreement carefully to determine what insurance may be available if damage occurs as a result of their negligence.

Insurance Requirements

As stated in your Exhibit Space Agreement, an exhibitor shall, at their own expense, secure and maintain through the term of this contract, including move-in and move-out days, the insurance listed below. All such insurance shall be primary of any other valid and collectible insurance of the exhibitor and shall be written on an occurrence basis. Claims made policies are not acceptable and do not constitute compliance with exhibitor's obligations under this paragraph. The following three types of insurance are required:

- Workers' Compensation insurance, unless you are the sole proprietor. Sole proprietor is a [business entity](#) that is owned and run by one individual. If you have even one other person in the booth working with you, you will need workers compensation coverage.

- Automobile Liability insurance with limits not less than \$500,000 each occurrence combined single limit for bodily injury and property damage, including coverage for owned, non-owned and hired vehicles, including loading and unloading operators. Auto coverage is only required if there is a vehicle in your booth or if you are using a designated loading/unloading area i.e. POV area.
