

To Our OCEANS '13 Exhibitors:

The exhibition of ocean science and technology products and services is a major feature of this conference, and we are delighted you will be joining us. We anticipate strong participation from maritime users and decision makers who have real issues that you, as exhibitors, can help to address.

There are many events before (golf tournament, underwater film festival), during (Oceans 2013 celebration on the USS Midway) and after (Star of India's 150th Gala, ADCPs in Action). While you are at the conference you will be able to enjoy the use of free Wi-Fi in the conference and exhibits area.

A few dates and times to keep in mind:

- Set up is on Sunday, Sept. 22 from noon to 6:00pm and Monday Sept. 23 from 7am to 7pm.
- The Exhibit Halls will open at the end of Tuesday morning's Plenary Session at 10am.
- Tuesday evening will be the Exhibitors' Reception in the Exhibition Halls.
- The Exhibit Halls close on Thursday, Sept. 26 at 3:30pm

We'd appreciate your company cross promoting the conference to help increase attendance. Banners for your website, conference logos and other promotional materials can be found on the conference web site under the "Media" button.

Please let us know if there is anything we can do to help you get the most out of this Conference. Feel free to contact me or IEEE's exhibits manager, Sue Kingston (s.kingston@ieee.org). We want your experience in San Diego to be both enjoyable and profitable.

We look forward to seeing you in September.

Brock J. Rosenthal
Exhibits Chair
Oceans 2013
