

NASCI

North American Society for Cardiovascular Imaging

Dear NASCI Exhibitors and Supporters,

Thank you for choosing to exhibit at the North American Society for Cardiovascular Imaging (NASCI) 2015 Annual Meeting.

Your Exhibitor Service Manual will provide you with the necessary services, guidelines, order forms, and information to help ensure your exhibiting experience with us will be a pleasure.

Please direct this manual to whoever is in charge of the logistics for your exhibit. The information should be reviewed carefully, noting all deadlines for ordering equipment, electrical connections, internet, etc. These services may be purchased onsite but will be more expensive.

A PDF version of the service kit will also be available on the show website at www.nasci.org.
