HOTEL SUITES & MEETING SPACE

We are committed to protecting the interests of our vendors and attendees. In order to discourage non-exhibiting vendor pirating activity, those interested in booking meeting space or suites at official HITEC 2015 hotels must first submit a request form and agree to adhere to the HITEC event policies.

Before scheduling your hospitality functions, be sure to check the HITEC 2015 schedule to make certain your event does not conflict with any HITEC activities including evening events.

The HITEC Exhibitor Guide display rules and regulations state, “two priority points will automatically be deducted from exhibiting firms holding functions during exhibit hours or during any official conference activities.”

SHUTTLE SERVICE

HITEC shuttles provide service between some conference hotels and the convention center (marked with this symbol 🚐) for those registrants with a HITEC shuttle pass. **Only registrants that stay at official HITEC conference hotels will receive a shuttle pass.**

For the Opening Party on Monday, shuttle service will have extended evening hours and service all official HITEC hotels.
