**Cleaning:**

Show Management will vacuum the aisles each night of the show and also provide a one time vacuuming of your booth on Friday evening, August 23. We will also empty your wastebaskets each night **IF** they are placed at the front of your booth for easy access. We do not allow the cleaning people to enter your booth to collect the trash at night for security reasons. If you require additional vacuuming of your booth each night of the show, you may order this service through GES. Security guards will follow all cleaning crews that need access to the booths for vacuuming purposes.
