

FIRE, HEALTH, & FOOD REGULATIONS

FIRE REGULATIONS & SAFETY

All exhibitors must comply with the requirements of the City of Dallas Fire Department, as outlined in the attached sheets. Please read these regulations carefully. The fire department is very effective in the enforcement of regulations, and exhibitors should be prepared to demonstrate proof of compliance.

By order of the City of Dallas Fire Department, exhibitors using any sort of heat in their booth must have a 10# ABC fire extinguisher. If you will be displaying or using equipment with heated oil or grease for cooking purposes, you are required to have a Type K fire extinguisher in your booth within 3 feet of the cooking area. Fire Extinguishers may be purchased from GES using Form F1 or the following Dallas Vendors:

GES

T: 800.475.2098

F: 866.329.1437

www.ges.com

HEALTH REGULATIONS

To ensure exhibitor and attendee safety, the Dallas Health Department prohibits the washing of dishes, glasses or utensils in the restroom or disposing of garbage and refuse by the use of public toilets. Wash areas will be provided on the Show floor as well as disposal units for grease. All exhibitors must comply with the requirements of the City of Dallas Health Department.

Exhibitors who will be serving food within their booth space at the TRA Marketplace on July 9-10, 2017, at the Kay Bailey Hutchison Convention Center in Dallas, Texas, are **NOT REQUIRED** to apply for a Temporary Food Establishment Permit.

The following pages from the City of Dallas Health and Human Services Department are intended to be a guideline, NOT requirements, for exhibitors to use for safety purposes.

FOOD REGULATIONS

Exhibitors offering a sample of their food ("bite size"; 2 oz or less) or non-alcoholic beverage (3 oz. or less) product must comply with all local, state and national regulations of transport, storage, preparation and distribution of the product to include refrigeration of any perishable products.
