## Please indicate paint color and special requests

GES Premium Walls are constructed of 1/4" Luan Plywood and secured together by a Camlock system. Walls are 8' in height. Maximum weight is 100 lbs per 10'.

Please complete the attached diagram for your wall layout. All diagrams will need to be approved prior to January 3, 2017.

Premium Panels may be added every 10' for support and stability. Support panels are 3' and are an additional charge to the exhibitor. GES will place support panels as necessary to secure the structure. Corner booths will require a 3' support panel on the side open to the cross aisle. Walls will need to be designed in an L-Shape or U-Shape in the diagram for support. Walls should not be a standalone straight backwall.

Rental includes: Rental of the hardwalls, installation and dismantle, priming and painting.

Special Requests: Installing shelf brackets, vinyl decal logos, filling panel seams, changes in wall height will require additional labor. Please see the Installation and Dismantle Order Form for rates.
