

## Rules & Resources for Planning Your Exhibit Space & Operations

The following rules and information are supplementary to the conditions specified as part of your Exhibit Space Contract. Please review all regulations carefully. All booths and showrooms, regardless of size, must conform to the environment of Toy Fair Dallas 2019 set forth by Show Management.

**Access to Dallas Market Center** Although the Dallas Market Center building offers 24-hour access, exterior doors are closed between the hours of 5:00 p.m. and 8:00 a.m. To gain entry between those hours, follow the instructions near the house phone located immediately to the left of the revolving doors at the building's front entrance.

To schedule meetings outside of show hours, please email Richard Chow ([rchow@toyassociation.org](mailto:rchow@toyassociation.org)) by Tuesday, September 24, for guidelines and assistance.

**ADA Compliance** Exhibitors are advised of their obligations related to the Americans with Disabilities Act (ADA) Title III. The Exhibitor understands that the ADA requires that the Exhibitor's display be accessible to people with disabilities, and the Exhibitor agrees that it is solely responsible for assuring that its display complies with the ADA. The Exhibitor warrants that it will provide auxiliary aids and services to individuals with disabilities suitable for effective communications between all parties in accordance with the requirements of the ADA so that, as a place of public accommodation, an exhibit is designed to allow persons with disabilities equal access to and enjoyment of the exhibit. More information about the Americans with Disabilities Act is available from the ADA information line at 800.514.0301 or at [www.ada.gov](http://www.ada.gov). If you or any member of your staff has the need for auxiliary aid or services, please call John Klein at 646.520.4866.

**Advertising, Sponsorship and Promotional Opportunities** For a wide range of opportunities to promote your product beyond your exhibit space, please contact our Advertising, Sponsorship and Promotions Manager, Laura Mangiaracina at [lmangiaracina@toyassociation.org](mailto:lmangiaracina@toyassociation.org) or 646.454.5589.

Wastebaskets left in the aisles at the close of the show each day will be emptied without a charge.

This applies to exhibitors' children, child inventors, demonstrators and consultants. If age is in dispute, proof of age and toy industry business affiliation must be provided upon request. No exceptions will be granted.

**Damage to Building** Nothing may be taped, posted, tacked, nailed, screwed, stapled or otherwise fastened to ceilings, walls, floors, doors, windows, columns or other surfaces of the Dallas Market Center. Adhesive-backed (stick-on) decals or similar items are not permitted in the DMC and may not be distributed by exhibitors. Exhibitors must confine activities, such as selling and distributing samples, literature and premiums, to their booths. No display should be arranged so that an exhibitor must stand in the aisle to conduct business. Exhibitors who use costumed models (*no one under 18*) or mannequins must ensure that their manner of appearance and dress is designed so as not to offend other exhibitors and/or attendees. All solicitations are restricted to inside the exhibitor's space.

Exhibitors who wish to sponsor any prizes, awards, drawings or contests of any kind are required to submit their request to Show Management for approval prior to the show. This policy has been instituted to assure a dignified tone during the show. There will be no public-address announcements of contests or winners during the show.

## **Shipment & Receipt of Exhibit Materials**

### **VERY IMPORTANT**

- No booth or display element may exceed 8' in height due to the DMC ceiling height.
- ALL crated shipments must be packed in crates no larger than 7' x 4' x 6' in order to load onto elevators and move through showroom entryways.
- While the entryway of the elevator is only 7' high, the elevator's interior can accommodate 8' items, such as booth walls, if they can be tilted to load and are not wider than 6'. Crates, however, must adhere to the dimensions noted above.
- If in doubt or if more specific information is needed about this, please contact Kevin Orzen at GES, [korzen@ges.com](mailto:korzen@ges.com) or 214.443.2566.

Global Experience Specialists (GES) has been designated as the official drayage contractor for Toy Fair Dallas 2019. GES is solely responsible for unloading, delivering, reloading and processing all exhibitor freight shipments.

There are **two ways** to deliver exhibit materials and merchandise to the DMC for Toy Fair Dallas.

1. **Advance Shipments** ensure the earliest possible delivery to your exhibit space. Advance freight is the first freight on the show floor. It is also more economical than direct freight handling.

GES will accept Advance Shipments beginning Monday, August 26, until Tuesday, September 24, 2019. Shipments must arrive by Tuesday, September 24, to ensure the lower Advance Shipment Receiving rates. Shipments will be accepted Monday through Friday from 8:00 a.m. to 4:30 p.m. Please note that the facility will be closed on Monday, September 2, 2019 in observance of Labor Day. Materials should be shipped crated, boxed or skidded to avoid additional material handling charges. Material Handling information and rates are included as Forms R-1 and R-2 in the *Material Handling* section of this *Exhibitor Kit*.

2. **Direct Shipments** to show site according to your assigned freight acceptance date and time as outlined below.

12<sup>th</sup> Floor, Showrooms and Assigned Booths ONLY  
12<sup>th</sup> and 13<sup>th</sup> Floors, Assigned Booths ONLY

Friday, September 27  
Saturday, September 28

- If you miss your target date, your vehicle will not be unloaded until all on-target vehicles have been unloaded regardless of when your vehicle checked in.
- Direct freight deliveries will not be accepted after 5:00 p.m. on Tuesday, October 1.

For exhibitor access dates and times, refer to *Move-In* in this alphabetic list.

Both Advance and Direct Shipments should be shipped to the address below. For your convenience, clear, concise labels may be created using forms R-5 and R-6 in the *Material Handling* section of this *Exhibitor Kit*.

**Recommended Domestic Carrier** GES Logistics can handle all of your ground transportation needs, including shipping to and from Toy Fair Dallas. GES staff will be on-site from the first day of inbound, all the way through the last day of outbound. By shipping with GES's Transportation Plus program you eliminate the need to coordinate inbound targets. Of course, exhibitors may ship via any carrier they choose.

**International Freight Forwarder** Kuehne + Nagel, Inc. has been selected as the official Customs Broker and International Freight Forwarder for Toy Fair Dallas. All merchandise imported into the United States requires Customs House Clearance before being released from any U.S. port or airport. Refer to the *Additional Exhibitor Services* section of this *Exhibitor Kit* for Kuehne + Nagel, Inc. guidelines and other information that will facilitate your international shipment for the show. Also see details under the *Material Handling* section.

**Hand-Carry Procedures** Hand carrying of exhibit materials and merchandise through the front of the building is prohibited. Exhibitors are allowed limited access to the dock area in order to carry items to their exhibit space. However, for the sake of all exhibitors, access will only be granted behind the area being used by the General Service Contractor, GES. No dollies, hand-trucks or other wheeled devices will be made available to exhibitors or permitted in passenger elevators. If the exhibitor can hand-carry OR provide their own wheeled devices AND their materials can be carried up in ONE LOAD, access will be granted. If these parameters cannot be met, the exhibitor will be required to use the freight handling services provided by GES at their own expense.

**UPS, FedEx, DHL, etc.** The GES Material Handling rates and policies included on Form R-2 apply to inbound exhibitor shipments from couriers such as UPS, FedEx and DHL. Also see details regarding small package/envelope handling on the same form.

**Storage and Handling of Crates/Empties** Properly labeled empty shipping packages (crates, cartons and boxes) will be picked up, stored and returned after the show. Empties must be unpacked and ready to be removed from each exhibit space by 5:00 p.m. on Tuesday, October 1. *EMPTY* stickers must be used to designate all containers to be stored and returned at the conclusion of the show. Exhibitors may obtain *EMPTY* stickers at the GES Service Center, from their GES Service Executive or from a floor manager. Please be sure to mark your booth number on each label.

Exhibitors are cautioned not to leave any merchandise in crates, cartons and boxes being consigned to *EMPTY* storage.

**Move-Out Dates, Times & Procedures** No dismantling of exhibits may begin before the official close of the show at 5:00 p.m. on Friday, October 4.

Your empty cardboard boxes will be delivered to your exhibit space by 8:00 p.m. Your empty crates will be returned by 11:00 p.m.

---

### **Outbound Material Handling**

Every outbound shipment must be accompanied by a Material Handling Order Form completed by the exhibitor and given to GES, the drayage contractor.

**Please note: Turning in a Material Handling Order Form does not constitute GES's "taking possession" of your freight. Exhibitors should remain with their freight or arrange for security services until it is in the handlers' possession. No materials should be left unattended, at any time, while awaiting pick up. Neither GES nor Show Management accepts responsibility for any exhibitor property left on the show floor unattended.**

Merchandise will be transferred to the freight carrier in accordance with the shipping instructions indicated on the Material Handling Order Form/Request. Carrier charges for removal of freight from the Dallas Market Center are the sole responsibility of the exhibitor.

Shipments without proper paperwork will be returned or forced onto another carrier at the exhibitor's expense. Neither GES nor Show Management assumes responsibility for such shipments.
