

December 2021

Dear INTEX Expo 2022 Exhibitor –

I am so excited to say that the INTEX Expo 2022 in Grapevine, Texas is just a few short months away! AWCI and CISCA, along with our trade show sponsors, are excited to host this one of a kind trade show serving the entire interior/exterior wall and ceiling industry. And I for one cannot wait to see you all in person!

All of your trade show requirements will be posted online, including various order forms from GES and other vendors. This manual is your key to successful participation in our trade show and we recommend that you take the time to become familiar with its links as well as the contents of the INTEX website, www.intexconstructionexpo.com.

A printed copy of the manual will **not** be mailed; please make copies of any forms you may need directly from the website.

Please do not forget to make your hotel room reservations and register your staff for the event. Both of these will open in January 2022. Instructions on how to make room reservations and how to register are included in this manual.

Best wishes for the New Year and I look forward to seeing you all in Grapevine, Texas!

If you have any questions or need anything from me, please do not hesitate to reach out.

Very sincerely,

A handwritten signature in black ink that reads "Samantha L. Riemer". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Samantha L. Riemer, CEM, CMP
