

The Toy Bank™ **Toy Donation Program**

Save yourself the hassle and expense of shipping product home by donating the toys from your exhibit to The Toy Bank™, a signature program of The Toy Foundation. Since 2003, more than \$225 million in toys have been delivered to over 26 million children in need. Your donation will deliver the power of play to children throughout the local Dallas area and nationwide.

Join us in donating the toys from your exhibit to bring a smile and the benefits of play to children in need!

What To Donate:

The Toy Bank gratefully accepts all types of new toys suitable for children under the age of 18 and meet all U.S. consumer product safety laws.

How To Donate:

Fill out the Product Donation Form (next page) with the appropriate information and email the completed form to ttfinfo@toyfoundation.org.

To help The Toy Foundation increase the impact of your donation, we kindly ask donors to contribute \$250 towards the shipping costs to the designated charities. This donation is also tax deductible!

Where the Toys Go:

At the close of the show, simply leave your donation in your exhibit space and The Toy Foundation will pick up and pack the donated toys. Donations will be delivered to children's charities in Dallas and throughout the U.S. within the following weeks.

All charities are vetted nonprofit organizations and certified 501(c)(3). If you have a charity interested in joining The Toy Foundation's network, please direct them to email ttfinfo@toyfoundation.org.
