B. EXHIBIT HALL ADMISSION HOURS

Exhibitors will be allowed on the exhibit floor at the following times:

Sunday, May 4	2:00 pm – 6:00 pm
Monday, May 5	8:00 am - 5:00 pm
Tuesday, May 6	8:00 am – 5:00 pm <i>(This includes move-in/move-out hours)</i>

Exhibitors must have a name badge to gain access to the exhibit hall.

C. OFFICIAL SERVICE AND MATERIAL HANDLING CONTRACTOR

GES is the Official General Service Contractor for the Power Mart Expo 2025. Other official show suppliers are listed in the Exhibitor Services Directory. GES will maintain an Exhibitor Service Desk located at the back of the exhibit hall during the event, move-in and move-out.

D. SHIPPING & INSURANCE

Shipping instructions and shipping labels are included in the GES materials. BCI encourages exhibitors to purchase insurance coverage for their booth in the event your display is damaged or lost in transit.

While making shipping arrangements, be sure to plan for a company representative to be on-site to oversee the outbound shipment of your display and products. It's also a good idea to place a rider on your insurance policy to cover your display and products from the time they leave your possession until their return. Remember that your company is responsible for your exhibit and product. It is expected that exhibitors have or purchase adequate insurance to protect against all perils. Your insurance agent should be consulted to be sure of adequate coverage.

E. TRUCK DELIVERIES

All truck drivers delivering freight to the show should check in with the shipping and receiving dock at the hotel. Freight will be unloaded on a first-come, first-served basis in accordance with GES's move-in schedule, the availability of appropriate manpower and equipment for the job and access to the exhibitor's booth location.

F. EMPTY CRATES

It is important that crates be removed from the floor and placed in storage as soon as they are empty. All crates should be closed securely and “empty” stickers should be attached as soon as they are emptied. Stickers can be picked up at the GES Exhibitor Service Desk located in the back of the hall. Open crates will not be accepted for storage. A clearly marked “empty” sticker containing your booth number and company identification securely attached to your empty crates will expedite their return to you at the close of the show. No empty boxes or crates may be stored in the exhibit area or in the service aisle due to Fire Marshal regulations.

G. SECURITY

Independent guards will be engaged to provide protection for the overall exhibition from the beginning of move-in to the end of move-out, but not for any particular exhibit. BCI, Smithbucklin, GES, Louisville Marriott Downtown, and the security vendor are not responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism or other causes. BCI strongly recommends that each exhibiting company secure a rider policy through its insurance agent to cover all booth and display items during transportation to and from this conference, as well as during installation, exhibit days, and dismantling. BCI insurance policies do not extend to cover liabilities of exhibitors.

I. RULES AND REGULATIONS

Exhibitors are responsible for compliance with all pertinent regulations and codes concerning fire, safety and health, which may be applicable in the exhibit hall during the event. Exhibitors must comply with BCI’s Contract Conditions / Rules & Regulations as printed and included in this kit.

J. BCI EXHIBIT BOOTH PACKAGE

Each exhibitor will be provided with the following benefits with their booth package:

- Hardwall exhibit space with backwall and sidewall dividers, black panels
